2007

when innovation deserves a standing ovation

A'van™

CAMPERS . CARAVANS . MOTORHOMES

Note: Curtains are not standard items

Double-glazed windows with integrated blackout blind and flyscreen systems throughout the van maximize livability and privacy at all times. With fully insulated walls, floor and ceiling and roof-mounted air conditioner/heater, the Ovation ensures your comfort in all climates.

The 17" Flat Screen LCD Television on wall-mounted swivel bracket and DVD/CD/Stereo System offer the entertainment choices of home, while the fully equipped kitchen includes a conventional gas oven and ample storage facility.

Superbly appointed with finest quality features, the Ovation offers luxurious accommodation features for the discerning traveller. Beautifully crafted timber furniture and deluxe fittings add comfort and functionality to the spacious living and kitchen areas.

Ovation

LICENCED TO CARRY FOUR PASSENGERS

Rezillience™ stain-resistant interior wall panels offer a hard wearing surface that surpasses the performance of other wall panel materials.

Intelligent design and quality materials enhance the Applause's modern aesthetic appeal. The stainless steel and glass finish to the kitchen & dining areas lend practicality to the luxurious surrounds. Curved overhead timber cupboards open to provide ample storage space, while the contemporary interior lighting system enables ambient variation with either 12v or 240v.

Entertainment is not forgotten - the 17" Flat Screen LCD Television is mounted onto a swivel bracket which enables viewing from every part of the van and even outside! Additionally, the 6 Speaker DVD/CD/Radio Home Theatre System is fitted securely into the furniture for optimal enjoyment.

THE APPLAUSE 2007

FIAT DUCATO

The 2007 A'VAN APPLAUSE combines the finest aspects of A'van style with the unique versatility of a motorhome.

Superb design and craftsmanship have created Australia's most impressive RV of its class. Every feature of the APPLAUSE is standard - no exception. Elegant European-style furniture and state of art construction methods add unique levels of sophistication and comfort to motorhome travel.

Throughout the van, overhead cupboards and double-glazed window/blind systems maximize area space and ventilation. The privacy of full-blockout blinds adds to this van's livability.

The APPLAUSE combines all the comforts of modern home living into a stylish and practical motorhome. A large double bed with innerspring mattress, shower, state-of-art "vacuum-flush" toilet & vanity, full-blockout blinds at every window point and slide-rail halogen reading lights above the bed are merely some of the features which make the A'van APPLAUSE superb value.

THE APPLAUSE

Applause 600

FIAT Ducato Camper: Born to be a Motorhome

A cab predisposed for conversion (without roof and rear wall), offers factory quality for every version

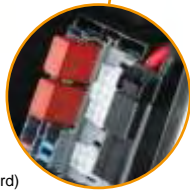

Plenty of room between seats
Allows you to freely move between the driver's cab and the living area
Swivelling Seats with double arm-rests

The widened track (Factory-Built) ensures greater stability and more living space!

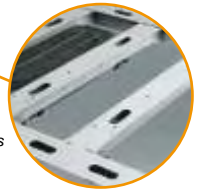

160 Multijet Power engine and 130 Multijet engine specially made for Camping cars, with 6 speed gearbox & gear specific ratios, allows performance and flexibility

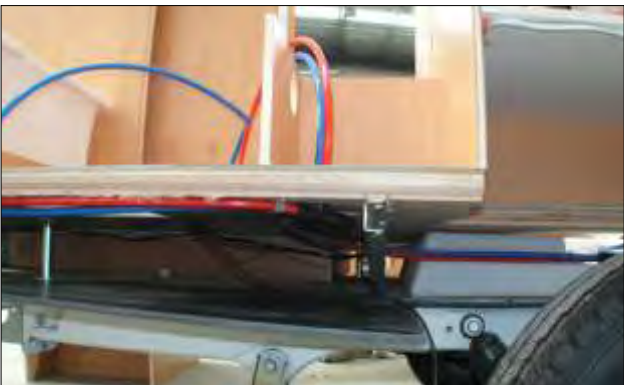

Electricals
Built on CAN system (Standard)

Special Chassis patented by Fiat Auto, lighter but sturdier, designed to allow more useful load capacity and less height from the ground to the cabin

The A'van Ovation's state-of-the-art sub-floor construction enables safer & more efficient housing of the motorhome's electrical and plumbing assemblies... while giving you more storage options for the things you can't live without.
